

## INNOVATIVE ELECTRICAL PANELS

### FOR RELIABLE POWER DISTRIBUTION CONTROLS & AUTOMATION

Certifications:

**intertek**  
Total Quality. Assured.

**ASTA Certified**  
IEC 61439-1-2  
TTA Panels

Authorised System Integrator / Distributors of:

**SIEMENS**  
Ingenuity for life

**WAGO**  
INNOVATIVE CONNECTIONS

**MURR**  
ELEKTRONIK  
stay connected

Manufacturers & Solution providers for:  
PLC/PCC/MCC/VFD/DB/APFC PANELS,  
CONTROL DESK & LT BUS DUCTS

## Introduction:

**S P Automation** is a company revolutionizing the electrical industry with custom built Electrical Control Panels with specialization in manufacture of all types of LT Panels, PLC based Automation Panels with SCADA, HMI, with Customised report generation.

Added to this Company employ experienced Designers and Engineers who work in union with customers to design and supply to meet the specific requirements.

## Philosophy:

At **S P Automation**, the philosophy in terms of customer experience has always been:

No compromise on Quality, Affordable and Competitive pricing, Flexible approach to diverse customer requirements, Meeting Delivery schedule.

## Quality Policy:

We are committed to provide quality products and services at optimum cost and to continually improve the quality management system for ensuring customer's satisfaction on a sustained basis.

## PRODUCTS PROFILE:

- LT PCC Panels
- MCC Panels
- I-MCC Panels
- DB Panels
- Control Desk
- LT Bus ducts
- APFC Panels
- VFD Panels
- PLC Panels
- Complete Automation Solutions with PLC, HMI, SCADA
- Customised Report Generation

## PRODUCTS ADDITIONS:

Medium Voltage panels, 11 KV Panels, 11 KV Bus ducts with erection

## SIEMENS

- PLC SIMATIC S7-200 Smart
- S7-1200,S7-1500, ET200SP
- HMI panels, SCADA
- Power Supplies
- VFD, Servo Motors

## WAGO®

- Screwless terminals
- Power supplies
- System wiring
- Relay Boards

## MURR ELEKTRONIK

- Electronics in Cabinet
- Interfaces
- Connection technology
- I/O Systems
